The second German Memo, #9506, is a listing and explanation of BASTLER's suggestions as regarding his most recent KID assignments concerning Risto KANAKI, Anton KUNOCZI, Paul KUNOCZI, and Eugene KUNOCZI. He plans to merely say that these people are former Hungarian general staff officers who use Hungarianized names and who are very eager to be found in Schubring cities in Munich. They are attempting to prove their German origin in order to obtain pensions, etc.
3. Regarding Risto PALASTY, BASTLER suggests that it merely be mentioned that PALASTY is a minor administrative employee at RTE.

5. He intends to state that he attempted to contact Zoltan KALAI, but was unsuccessful. However, he did learn that MAKRA's newspaper was in financial difficulty. As regarding Istvan KUVACS, he will state that he learned that KUVACS first lived at the refugee camp at Karlsfeld. He then moved to Munich/Schleching and is presently employed as editor of the newspaper KOMERET/KELELEM, a monthly publication.
